**Number One**

I've always regarded Club as more of a 'lifestyle' magazine than a mere 'men's' magazine. After all, it allows me to live my life in the style to which I am accustomed – pissed and skint. I know it's not big and it's certainly not clever, but what's the point in getting out of bed in the morning if you're not going to spend what you earned yesterday getting drunk today?

I noticed that those men in white coats have finally found out what we've known all along and told us that it's good to drink more. Now they say we can down two pints a day instead of the previous one. Like anyone gives a toss. Who can honestly say they'll go out tonight for a couple of drinks and then stop the moment they hit four 'units'. Bollocks. Though I must say I rather wish someone had stopped me after those 36 units of white wine, vodka, tequila and cider I had the other Friday. But then again, getting banned from the poncey fucking wanky bastard shit-head Atlantic Bar in Piccadilly by that screaming little Scottish

queen on the door was probably the only worthwhile thing I've ever done on alcohol...

Anyway, it gave me something to smile about while I nursed the best hangover of my entire life. No wishy washy little headache and a funny tummy for me! This was the full-on sledge-hammer-meets-water-melon, hat-pin-in-the-eye special! A real Oscar winning performance by my bottom too. Thanks a bunch, mate.

Now, enough of this tosh that no one reads – there's a whole world of wonderful girls rolling around naked and waiting for you over the next 99 pages. And what better way to cure a hangover than to go to the toilet, lock the door and wallow in the glossy pages of Club while having a right good wank? – *The Ed* ♣

### TWO'S COMPANY

Great to see that the new issue of Club (Vol 24 No 13) was up to the usual high standard, especially the pictures of Helen and Claudia. Just what the hell are you trying to do to us all, eh?

Those pics must have caused the spontaneous combustion of packets right across the country!

Fantastic pictures; both Helen and Claudia are seriously sexy and to see them together in the magazine was absolutely mind blowing. Genius stroke, Mister Editor. Two sets of perfect breasts, two neatly-trimmed pussies and, bingo, you've produced the rudest set of pictures that I've ever seen in the magazine.

My mind really was working overtime as I fantasised about meeting these two deliciously sexy saucepots in the flesh. They look as if they'd be too much for one man to handle, but I'd gladly die trying! Please, let's see loads more pictures of two girls together in the magazine, doing exactly what they fancy, getting it together with one another. Keep up the good work... – *Alan, Brighton*

### THREE'S R US

Over the last few years, I've been lucky enough to have indulged in threesomes. Some have been very wild, some completely disastrous, while others have just been plain dirty and fantastic. But they've certainly all been very memorable!

The first time I indulged in a menage-a-trois was when I was just 18 years old, with a shop manageress and her husband who would occasionally invite me around to their place for something to eat. They'd put on a blue movie right after dinner and we'd sit and watch it together, her between myself and her husband.

This tantalising, voyeuristic appetiser would go on for about twenty minutes, until she could no longer stand the desperate ache in her damp pussy, and she'd whip out her husband's thick prick and swallow it before turning to unzip my straining cock and taste my twitching and glistening bell-end.

Those illicit sessions at their house certainly taught me a lot about sex. After my wonderful experiences with that couple, I still continued to revel in threesomes, but they were all 'two men/one woman' situations, which, while being a turn-on seeing how dirty and sex hungry a woman can be with two cocks in her direction, always left me intrigued as to how to react to a 'two woman/one man scenario'.

Well, one night I finally got my chance, and what can I say? It was bloody awesome! The most incredible experience I've ever had from sex.

It occurred one evening late last year after a quiz in our local pub when Sylvia (a woman of thirty who I'd been shagging for some months) and a girl called Tina, who was the same age as me (23 years old), invited me back to Sylvia's for a nightcap.

I grabbed a couple of bottles of wine, and the three of us headed off to Sylvia's house where, as soon as the first bottle of wine had been opened, we started to play cards. Obviously, the choice of game was strip poker (corny, I know, but it more often than not does the trick). Within half an hour the three of us were sitting in Sylvia's living room stark bollock naked.

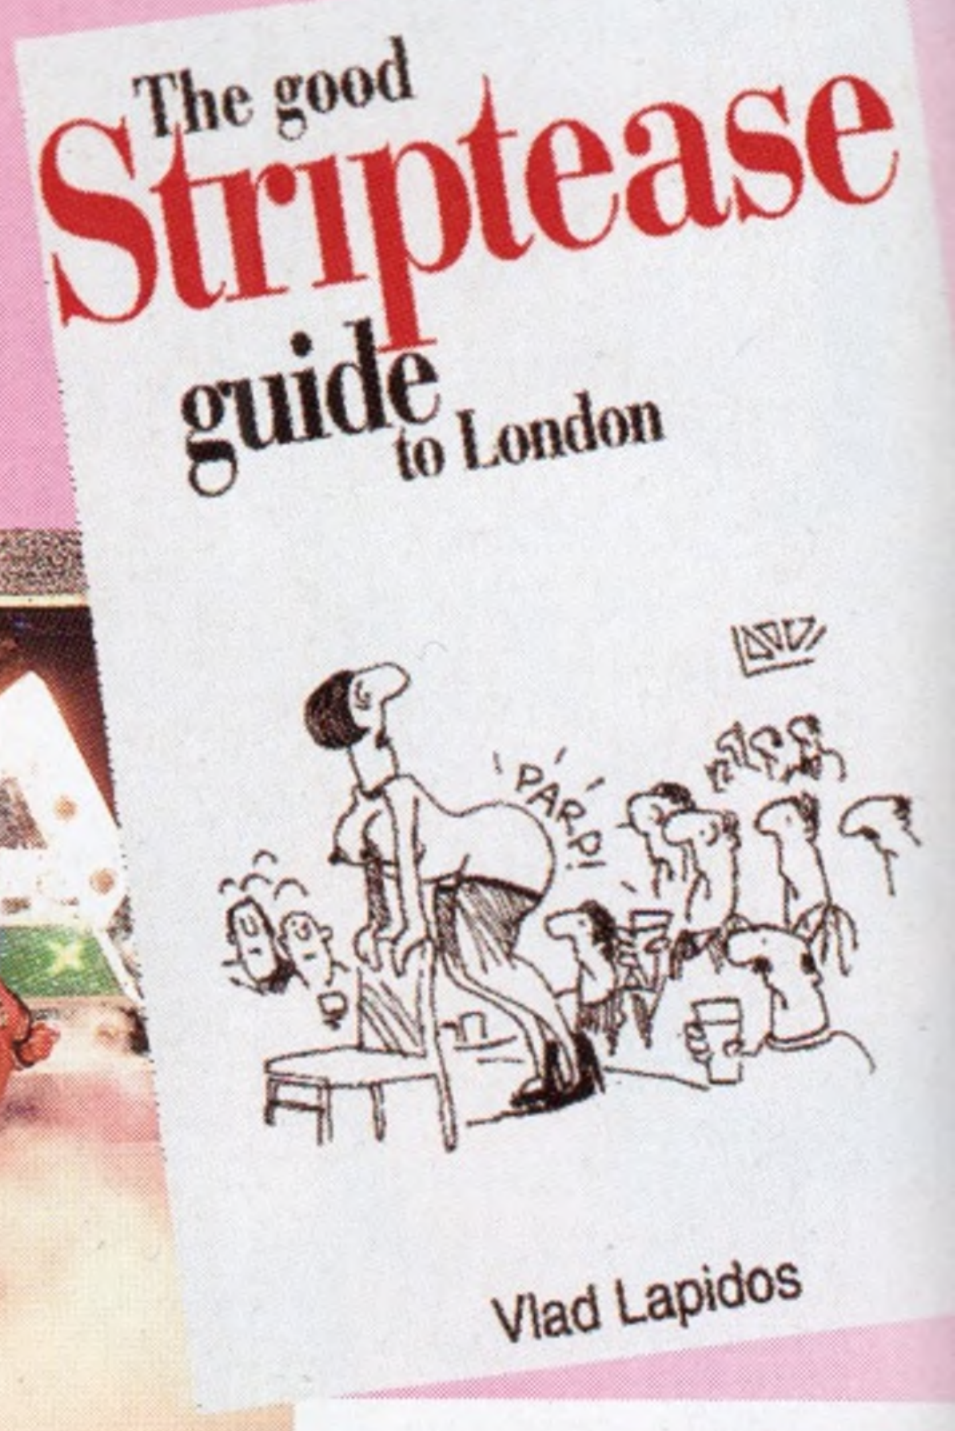
After that, another hand was played as a mere formality to decide who would concede to indulgence first. Of course, I lost the hand purposefully, and Sylvia decided that, as my forfeit, I should allow Tina to do anything that she wanted to me.

Naturally I put up no resistance, and simply tried to believe that this was really happening to me. Her tongue licked slowly over my skin, to Sylvia's obvious delight as she coo-ed and ah-ed, and before I had the chance to hold off the inevitable Tina's tongue traced its way around my pelvis whereupon she immediately grabbed hold of my throbbing penis and sucked it deep into her mouth.

It was all I could do not to shoot my come down her throat right there and then, so, gripping the side of the sofa, I gritted my teeth against the sheer pleasure

# Strip! Strip!

## It's a very silly headline for a rather silly book, says naked Tommy Otley...



Scared of shadowy doorways, daunted by the ladies promising a show for only a pound, worried you'll be frog-marched to the cashpoint by a huge bouncer? Yeah, me too, though it's not so bad after the first few times.

This wonderful book will doubtless become required bedside reading for every High Court Judge and politician (*not really – it concentrates on female strip joints – ed.*) Good ole Vlad has made the mistakes for us, it's all happened to him – in the interests of research you understand – and now we have this handy overcoat pocket-sized book to ward off the evil spirits and past-it housewives. It's thin, but as the man often says, it does the job admirably.

One thing worth pointing out is that it

and staved off the desire to unleash my load into her mouth.

Sylvia sat and watched as Tina teased my knob, pulling my glistening end from its hood and then sucking it back into her mouth.

I was in heaven! While one girl sucked ravenously on my pulsating member, hungry to have it inside her, I groaned and watched as Sylvia wanked herself in front of us.

It was a matter of minutes before Sylvia stopped wanking herself and crawled across the carpet to start licking at my balls. All of this attention was making me feel incredibly horny and, shifting my position, I eased Tina's thighs apart and sunk my mouth down onto her hot, luscious pussy. Pushing two fingers easily inside her, I frigged her off and held her lips open so I could use my tongue on her pouting clitoris.

Tina went absolutely

# T.V.C

Phil Strongman plunges into the virtual reality world of television news (and gets paid for it, virtually...)

23:49:12:98
23:49:13:87
23:49:14:19

The newsroom is where television gets most hectic. Lets face it, all those watch-the-ram-raiders shows are taken from close circuit cameras and are months, or even years old. For the news teams nearly everything is live! live! live!

Like front-line soldiers, the on-the-spot folk have seen more blood, sweat and tears than your average butcher. You don't have to be Kate Adie – 'I see Serbian waiters overcharge people, I see pink gins fall off the bar, this is Lunch time O'Booze, ITV in Soho' – to be in the thick of things. This engenders a what-the-hell spirit amongst the spirit-drinkers on the ENG (Electronic News Gathering) gangs. After all, they are in the thick of things. And, whether they're the humblest cable crew or the most po-faced Beeb hacks, they have all been threatened with arrest, all watched in shock as some psycho tried to punch their lights out, all sat in the rain all night and prayed that Michael Barrymore would come out of a gay club soon.

All this gung-ho, we're-in-this-together feeling inevitably leads to a) a great deal of cynicism and b) a great deal of bonking across demarcation lines. There can't be a single Sloaney reporter on the box who hasn't succumbed at one point, in the heat of the moment, to some randy camera or sound man. When you see a van juddering up and down in some lonely suburban car park or a phone box that looks steamier than a Turkish wrestler's jockstrap, it probably isn't a couple of coupling teenagers, but, instead, a XYTV crew celebrating scoring that exclusive scoop on some plush Putney paddling pool.

Late-night editing can be something of a turn-on too. Hours and hours chasing around are suddenly followed by this plunge into near-darkness, video images rolling back and forth as the blood still thunders around and the hip flasks get necked. Apparently, there's many a VT Editor who's wasted precious minutes trying to remove the heavy breathing sounds from the tape, unaware that the breathing is coming from the couple performing a few feet behind him.

All these revelations and more – much more – comes from bubbly brunette girl reporter Dee and her swarthy camera-person Jon, revealing

all over a few large doubles in the Carlisle Arms in sunny Soho. They talk, and as they talk I play with my lap-top (stop sniggering at the back there! I'm talking about a computer...). At the moment Dee and co are waiting for the Mercury phone to ring, hoping against hope that a big story will break before the late night news gets wrapped up. Don't these guys ever get worn out?

"All the time," says Dee, "there can't be one of us who hasn't sniffed some charlie or popped a few pills... the rest of the time you live on black coffee, Mars bars... – no, Phil, not those kind of Mars bars – and packets of Resolve."

Their best moment so far?

"Being the first guys on the spot for President Clinton's walkabout."

The worst moment?

"Some poor Old Dear thanking me for looking after her – after I'd spent two hours talking my way into her house just so we could nick a picture of her dead grandson."

So does all this make you too tough, too soon?

"No, we're still as sentimental as we ever were."

The phone rings as Mr Camera stops speaking – Dee lunges for the phone like a Doberman Pinscher. She bites her lips, gasps, demands to hear the message again before she leaps, smiling to her feet.

"There's been a big pile-up on the M25!" she announces jubilantly, "there's injuries, fires, the lot!"

"Thank God for that!" says the cameraman as he jumps up and follows Dee out to score some overtime and cover the car disaster – leaving me with the equally disastrous bar bill. So keep watching your local news, folks, and the next time the camera looks a bit shaky, only you and me'll know why.

PHOTOGRAPHS BY MARIA CLARKE

Hi guys, What a hot, steamy week I've been having! Rubber-loving lezzie, Christine has come to stay, and she brought loads of pervy playwear with her. Her nimble digits have squeezed my soft curves into catsuits, boned basques, bras, briefs and boots – all in fabulously fetishy fabrics that shine like a wet pecker! Clinging and clammy, this saucy stuff sticks everywhere stroking my pussy until it's boiling hot. Fortunately, Christine's cool tongue is always around to lick my juicy bits till they tingle and cry out for a cock. But Miss Chris has thought of that too. With my six-inch stilettos bound to the bed posts, she brought out a big black dildo and gave my hot slot a good going-over that had me gasping all night long. She's been playing the dirty dominatrix for five days now, and I'm worn out!

**Dear Carrie,**

Am I the only man in the world who would like to see you dressed as a supermarket checkout girl *(Probably! – Carrie)*? I know their nasty nylon overalls and padded waistcoats are the least sexy gear you can think of, but that's the whole point!

I'd love to see you in an overall and waistcoat with your long hair tied back and no make-up, until a man (me, please!) comes to your counter.

Suddenly you decide to show him that beneath all that polyester, there's one seriously horny woman waiting to get out. So, you slowly strip off in front of me. You pull the press-studs apart, revealing saucy black undies and black stockings. Then you unclip your bra and let those lovely boobs fall free.

You let me weigh them in my hands, then run the barcode reader over them (the till reads: 'Melons: priceless'). Then you lie on the conveyor belt so I can pull down your panties and check out that sweet cunt of yours.

"Oh dear, it seems to be leaking," I say. "Let me mop it up for you!" With that, I quickly bury my head between your thighs and start frantically tongueing you right there in the middle of the supermarket! Okay, nobody else will enjoy it, but I will! – *Mike, Streatham*

*And I would, Mike! Just make sure it's the express checkout and there's plenty of time. My clitty likes a lot of licking...*

**Dear Carrie,**

I'd like to see you down my local pub, getting a few drinks in and then doing a sexy striptease on the table! I know it might not be sophisticated but I guarantee you'd give a lot of people in the pub stonking hard-ons! – *Jim, Portsmouth*

*So where do I go, Jim? I could really do with sinking a few stiff ones right now!*

**Dear Carrie,**

The pictures of you dressed as a nurse in the last issue of Club (Vol 24

No 11) caused a severe stiffness in my lions, and I could have done with a visit from you to help me relieve the ache! Seriously, you looked absolutely terrific in your nurses' uniform – and I'm sure I'm not the only fella who'd like some intensive care from you.

I'm serving out in Bosnia at the moment, and your pictures are currently brightening up our mess wall. We get a few copies of Club sent to us here each month, but as you can imagine they have a funny habit of disappearing!

We'd be grateful if you could send us some signed photographs and we all want to know when we're going to see you in our favourite magazine wearing army gear... – *Andrew and the mags, BFPO 547*

*It's always great to hear from the boys serving in the armed forces, and it's nice to know that I'm causing such a stir with you all.*

*I've sent you the photographs and magazines already and keep your fingers crossed for the shoot – I'll be more than happy to stand to attention and you let you fellas inspect me! –* ***Carrie*** ♣

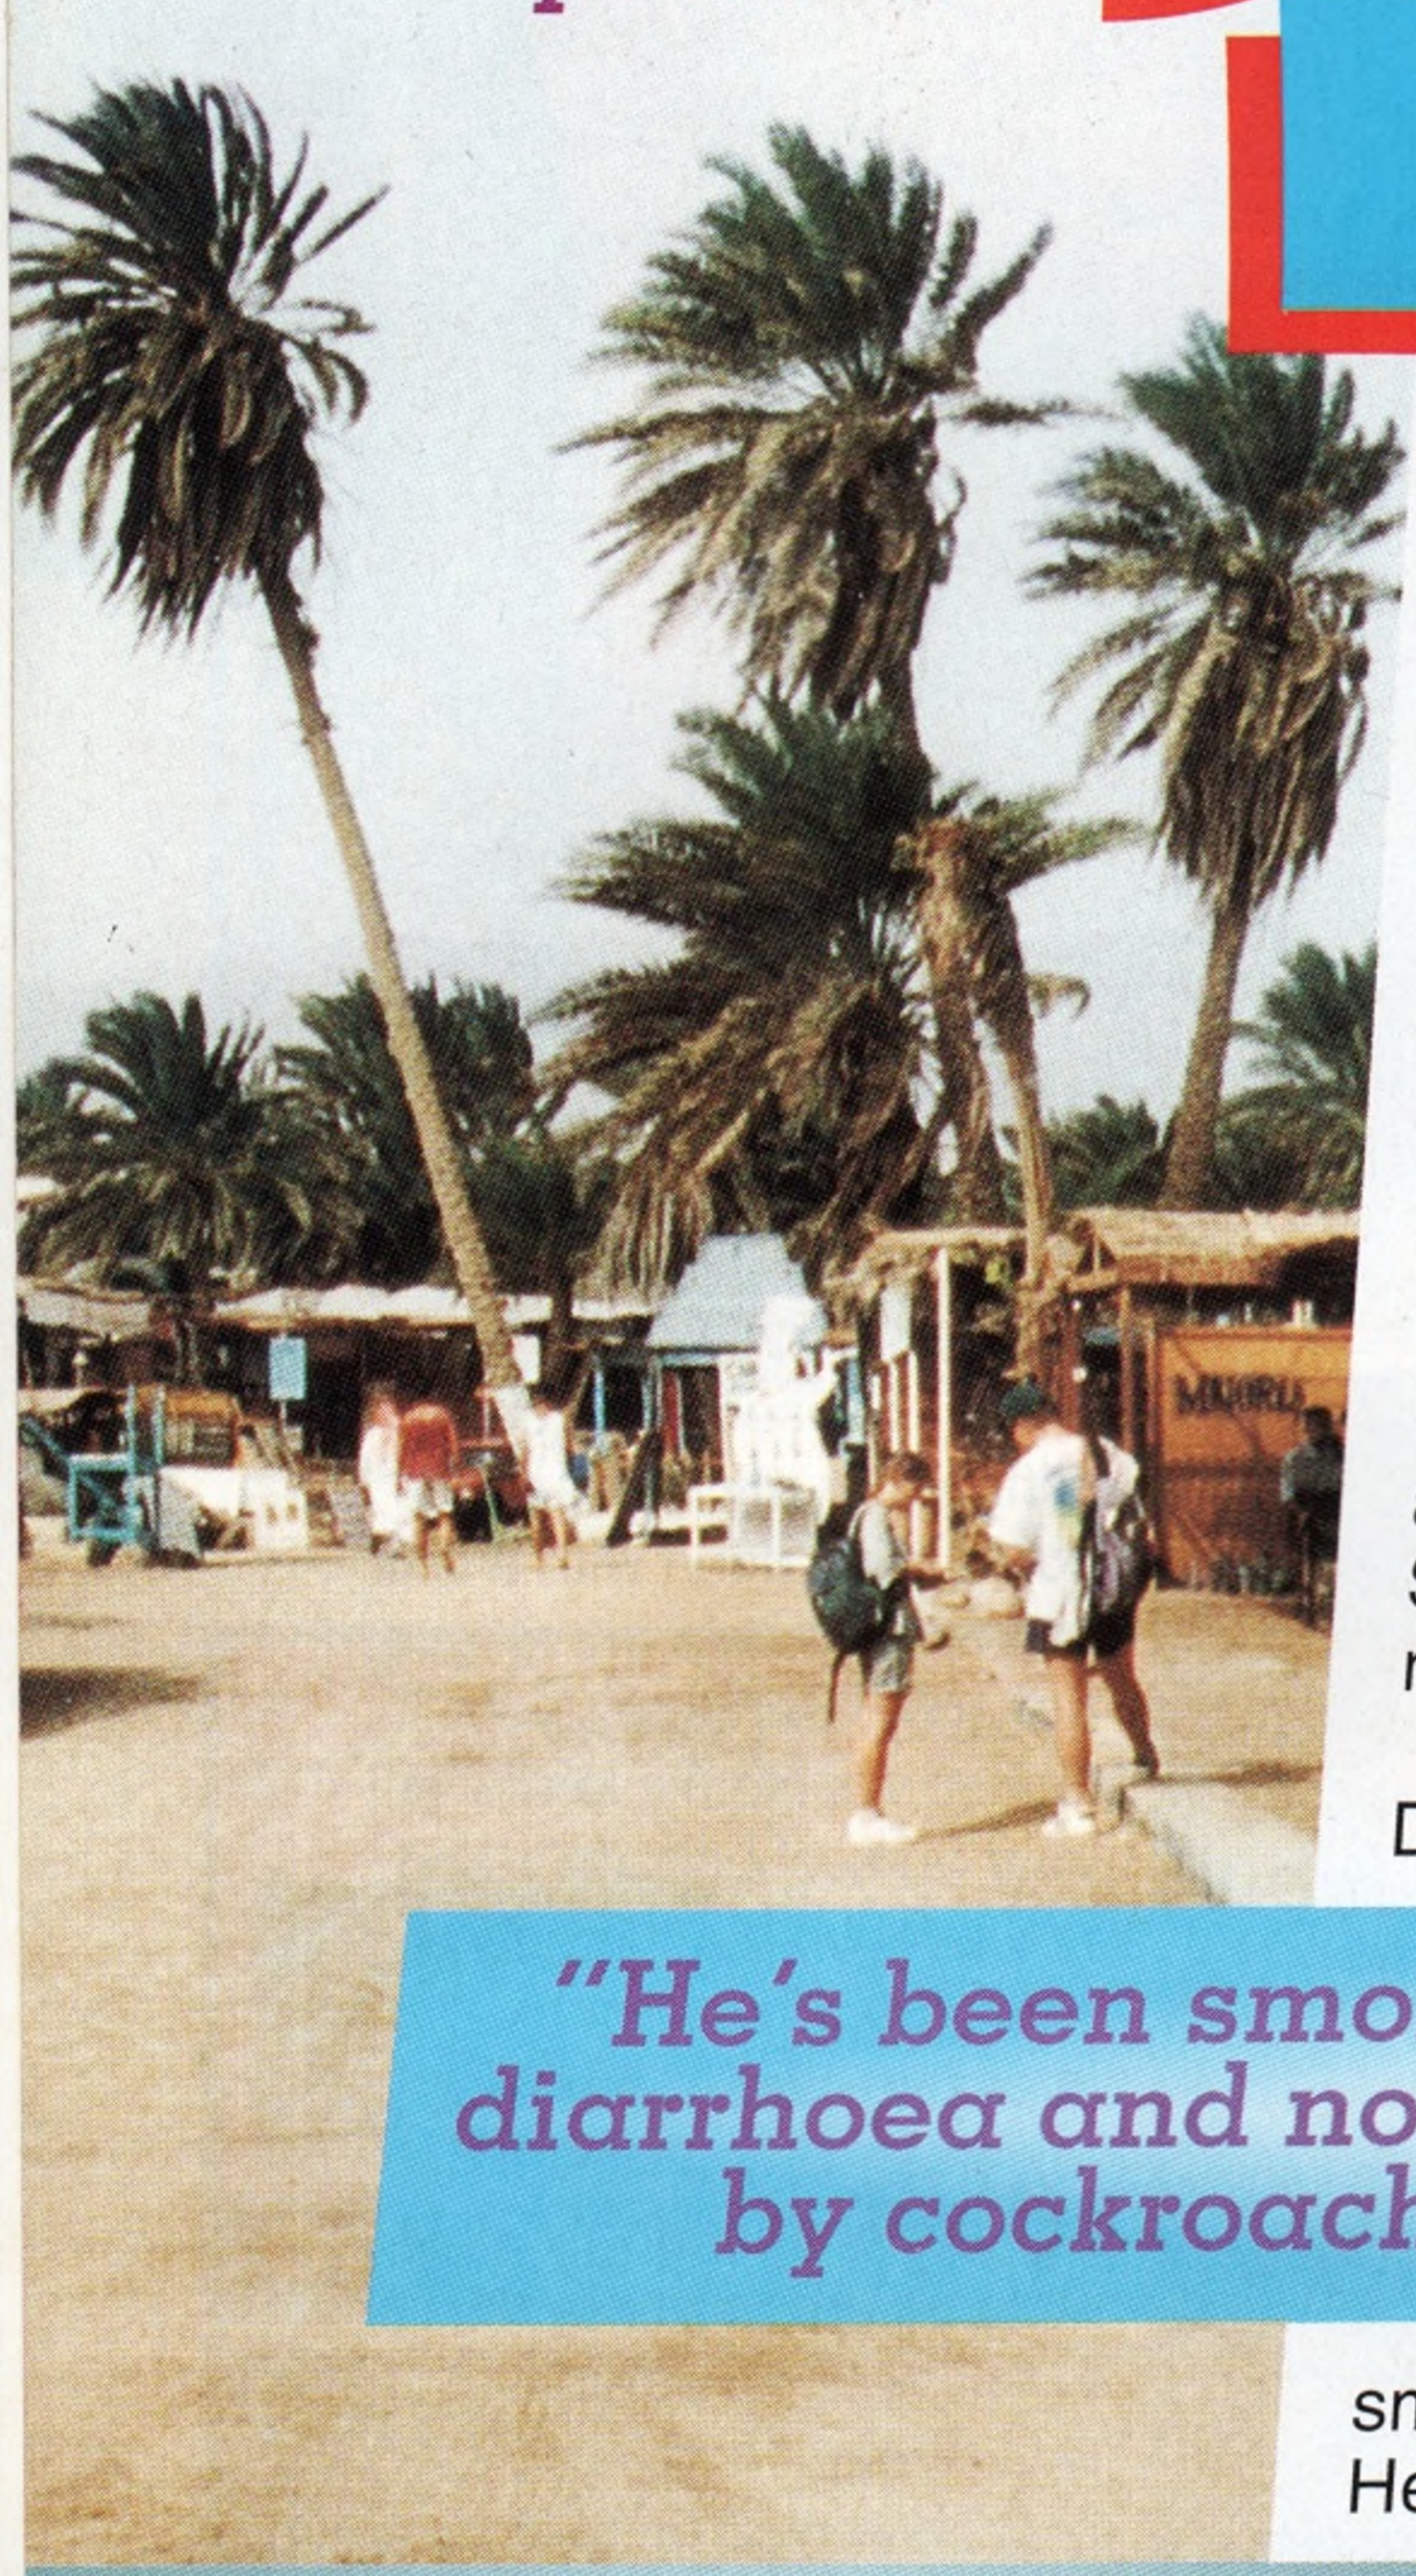
**When Deputy Editor Richard Guy and his mate, Slapper, took off to Dahab, Egypt, they forgot to bring back just one thing. Their brains. And we've got the pictures to prove it...**

# DAHAB'N IT LARGE!

Getting to Dahab is easy, you just book a flight to Tel Aviv, Israel, jump aboard a bus for a 500 km ride to Eliat, secure a taxi to ferry you over the border into Egypt and finally a Bedouin's van for the last 200 km to the Coral Reef Camp, Dahab. Or at least that's how we did it. Was it worth it? Absofuckinglutely.

The bad news first - there's no booze. But wait. Dahab is palm trees, calm blue sea and mountains. At the appropriately named Bamboo House you can get iced mango milkshakes for 50p and a full breakfast for two quid. The women are gorgeous hippies, and that means they talk to eejits like me. Waking at nine in the morning, I walk towards the showers and behold a vision of woman emerging from her room who is so perfect I'm sorely tempted to drop down onto my knees and praise Allah, Buddha and Jesus Christ Almighty, or whoever was responsible. She looks at me, breaks into a broad smile and says 'hello' in a sexy Swedish accent. I open my mouth to reply in my sexy Scottish brogue.

"Hel... aye-ooogggaaableeeuugh!" Don't do drugs. Staying up till 5am smoking grass utterly shags your voice. Her expression says it all. I've blown it.



> "He's been smoking all day, has a bad dose of diarrhoea and now claims to have been attacked by cockroaches the size of fag packets"

I'm tempted to stay in my hut all day crying, but I'm brave and discover that there is a record store in Dahab called Mr Haridi. As Dahab is in the middle of the Sinai desert, hundreds of miles from civilisation, I fancy getting my hands on some genuine Egyptian music and head over there. I can hardly believe my eyes when I get there and find a giant poster for Blur's *Parklife* in the window and *Girls & Boys* blasting out from inside. You can't escape from the fuckers. I head back to my hut and start to read *Trainspotting* by Irvine Welsh.

My tranquillity is interrupted when my trusty companion, Slapper, comes running, terrified, into the room. He's been smoking all day, has a bad dose of diarrhoea and now claims to have been attacked by cockroaches the size of fag packets whilst he was dropping a log in the bogs. I ask him if they called him Bill and demanded to have bug powder rubbed into their arseholes, *Naked Lunch* style. "I'm telling you, I saw them," he mumbles. He rolls another spliff and falls asleep.

We decide to go to The Blue Hole, a spot of coast on the Red Sea that is famous for its diving and snorkelling. We stay there for an hour and then head out in Dahab for our last evening where we gorge ourselves on banana shakes, camel pizza and ice cream. Then we play our last session of pool. Victory eludes me and the final

score for the holiday stands at 50-39. Tomorrow we leave Egypt. I go to bed and dream of beer.

Wake up at 10am and head towards the Israeli border. By 2pm we've travelled 250km and are sitting in a bar nursing two pints of ice cold Macabee beer. After a five hour bus ride from hell we head to Mulligan's Bar and find a load of Aussies and South Africans in fancy dress. It's Halloween so we proceed to get drunk. Very drunk. My last memory is of running into the sea and telling Slapper of my intention to swim to Cyprus. I fail miserably and am fished out of the sea by Herman Munster and Dracula. Back at the hostel, I go to sleep and realise that this time tomorrow I'll be back in Blighty. I sleep like a log.

Next day at Israeli customs I'm held for an hour, my bags are searched and then I'm released. Same can't be said for Slapper. Sadly, I neglected to mention I'd swapped his passport photograph for a snap of Yasser Arafat. He's led away by three burly blokes with rubber gloves and muscular forearms. Shalom, buddy, that'll teach you to beat me at pool. ♣

# THE PRICE ISN'T RIGHT

**Britpop is dead, glamour and glitz is top of the list – or so we're told. James T Bone investigates the latest buzz that is Romo...**

So, we're into a brand new year, and what lies ahead for the next twelve months? Personally, in 1996, I'd cock an ear to the weird and wonderful sounds of Earl Brutus, look out for new releases from Mo' Wax and Wall of Sound Records and watch out for a collaboration between the Aphex Twin and Gavin Bryars. But, hey, what do I know?

You see, according to those arbiters of taste at the *Melody Maker*, 1996 is going to be the year of the New Romantic revival, or **Romo** as they've christened it. Great. Last year heralded a new wave of British songwriters, and now one of the country's leading music papers is attempting to convince us to dig out the purple eyeliner, ankle-length suede boots and satin shirts and, erm, get with it. Right on, people.

The main culprit is one Simon Price, a writer for the paper who, judging by a recent photograph, combines the sartorial elegance of Limahl, Duran Duran's Nick Rhodes and that ugly bastard from Alien Sex Fiend.

*Melody Maker* saw fit to devote the front cover and eight pages to Romo, proclaiming, "Britpop is dead – Romo is the newest flash into style, glamour and romance. It's the future pop explosion!" Then it went onto pay homage to the people who have been massively influential to the new scene. Happening groups like Duran Duran. And Kajagoogoo. And Spandau Ballet.

But we didn't just take their word for it, we sent a man undercover (attired beautifully in leopard-print blouse and rouge, natch) to Planet Earth in London, one of the hip clubs "to be scene (sic) and be beautiful". What did we find? Ten people sipping cocktails in a club that holds 500, dancing to the likes of Madonna, Duran Duran and Japan. "It was really busy last week, we had our biggest crowd," said one lounge lizard at the bar. "There were 22 people here." I rest my case. Simon Price may you burn in New Romantic Hell with Nik Kershaw for your sins...

● Unless you've been living under a rock for the last few months, you'll know **The Beatles** released a new LP at the end of last year. Twenty-seven years after splitting up, Paul, George and Ringo buried the hatched to compile a complete history of the world's most famous group. An eight-part television series, a brand new recording and enough hype to justify Lennon's claims that they were indeed 'bigger than Jesus' preceded the release of *Anthology*. The album shot to number one across the world, including the lucrative American market. Then it comes out in the UK, and what happens? It goes in at number TWO with a bullet.

And what's holding the world's most famous group from the coveted top spot? Two bit-part actors who perform karaoke versions of classic 60s songs. Step forward, Messrs **Robson and Jerome**, for you have made my day. Brilliant.

● After a stint as a rhythm guitarist with Nick 'Mr Happy' Cave, James Johnston and his band, **Gallon Drunk**, don their Hawaiian shirts, bring out their maracas and grease their oily quiffs in preparation for the release of a new EP, *Traitor's Gate*. Best track is

● *Dead Girl Opened*, *Mutilation Street*, *The Smut Peddler*, *Violator*. Hardly party tunes, but then **Skinflick Productions** make the sort of music that makes Nine Inch Nails sound like Ace of Base. We featured the band a while back in the mag, and a result they managed to shift loads of copies of their last single, *Pretty Dead Girl*.

This time around, their fun new single is the charmingly-titled, *Pig Sick*. It's only available on seven-inch and can be purchased for £2.50 from SFPD, 30 Lon-Y-Glyder, Maes Tryfan, Bangor LL57 2UA.

● After watching Oxford-based band The Candyskins recently at The Raw Club in London, a rumour swept the building that none other than **Johnny Depp**, movie star and gusset-distressing sex object, was guesting with an un-named band at the Fantasy Ashtray Club in Soho.

After getting trampled underfoot by starstruck females rampaging through W1, your correspondent duly arrived at the venue to be greeted by an un-named band on stage with 'special guest'... Johnny... yes... yes... yes... erm, DEATH. Which is worth a mention purely because Mr Death has the sort of unique looks that makes Shane McGowan look like, well, Johnny Depp actually.

● Finally, keep an eye open for *Bathroom*, the debut single from sparkling guitar quartet, **Bawl**. The band hail from Northern Ireland and I'm told big things are expected from them. Remember where you heard of them first... ♣

Jenny has come a long way, and a lot of times since she made her virginal appearance in Vol 24 No 11. In October, the 18-year-old claimed her pussy was a cock-free zone, preferring tongues to tools. Now though, she's gone boner bonkers.

"The first one was enough to convince me!" sighed the Stockport sexpot. "When I felt it ease inside, filling my pussy for the first time, I came straight away! Now it takes a little longer, but I've learnt to milk his cock with my pussy muscles. But I've still got a lot to learn... anyone want to give me the benefit of their experience?" ♣

Snake

An American General once said that the secret of victory in battle was to get there fastest with the mostest. Winning the battle against sobriety comes down to pretty much the same thing. You have to get the most alcohol to your brain in the quickest possible time. Sadly simply pouring a yard of ale into each ear will not achieve this. We need to take a more scientific approach to getting shit-faced. Alcohol gets to the brain through the stomach lining and then the blood. Obviously the first answer that suggests itself is simply to cut out the middleman and whack one of those cocktail syringes full of tequila into your eyeball. This is clearly not advisable as it is dangerous and unhygenic. It also smarts like hell when you stick the lime and salt in there after it. So what are the other options?

Well, it is a fact that gas is absorbed quicker into the bloodstream than liquid, that oxygen is absorbed faster at high altitudes and that the blood travels more rapidly around the body during vigorous exercise. From this we can gauge that one way to get pissed at the speed of sound would be to swig champagne on top of Mount Everest while shagging Sharon Stone. Not an option for most of us, sadly – the top of a tower block, Babycham and a stoned Sharon is more likely. Nevertheless we can put this information to practical use.

To research this article Club took an eager blonde volunteer around the drinking dives of Soho. Starting at 6 o'clock in the Pitcher and Piano with a down-in-one and three shots of chilli vodka, and finishing when our guinea pig collapsed in a heap in the Pillars of Hercules at 11.30. The hours inbetween are a blur of slammers, snorting and moody barmen. These are our findings...

## THE SLAMMER

Like drinking beer through a straw, the slammer works on the gas principle. To make a slammer put some spirit (such as tequila) into a glass, add a fizzy drink, put your hand over the top of the glass, tip it upside down, spin it back upright and bang it down on the table or bar and then slug the resulting foam down in one gulp. Two things need to be borne in mind when drinking slammers. Firstly make sure you are using strong glasses or you will be paying a visit to Casualty looking like a suicide attempt. Secondly, the gassiness of slammers will at some point result in you belching with a force that will dislodge fillings from the teeth of people two streets away. Do not drink them if you are with a woman you are trying to impress with your suave sensitivity. As if.

## SHOTGUNS

Another gas-principle money saver. The shotgun is cheaper than the slammer. It is also messier. This is by no means a bad thing as we shall see. Take a can of beer and shake it vigorously. Puncture the side of the can near the bottom with a ball-point pen. Remove the pen and put your thumb over the hole. Now comes the tricky bit. While sitting with your mouth open holding the can so that the hole with your thumb over it is aimed directly into your gob, rip off the ring-pull and simultaneously remove your thumb from the puncture. A great spume of foaming beer will erupt from the hole and straight down your throat. This is an ideal way to get pissed on a date. Firstly there is a fair chance that the woman will shower her top with beer and have to take it off. And if she doesn't, well, the fact that she is capable of swallowing a pint of spurting liquid in one gulp is something which is nice to know. Once again there is a severe wind problem attached to this method.

### SNORTING

Snorting spirits through a straw is a good way of getting plastered, but the amount of liquid that gets into your lungs can cause problems. The most serious of which is death by drowning. You may think a clever way to get around this is to heat your drink up over a candle and snort off the resulting highly alcoholic vapour. Unless it is your deepest wish to flambé your own head then you are wrong.

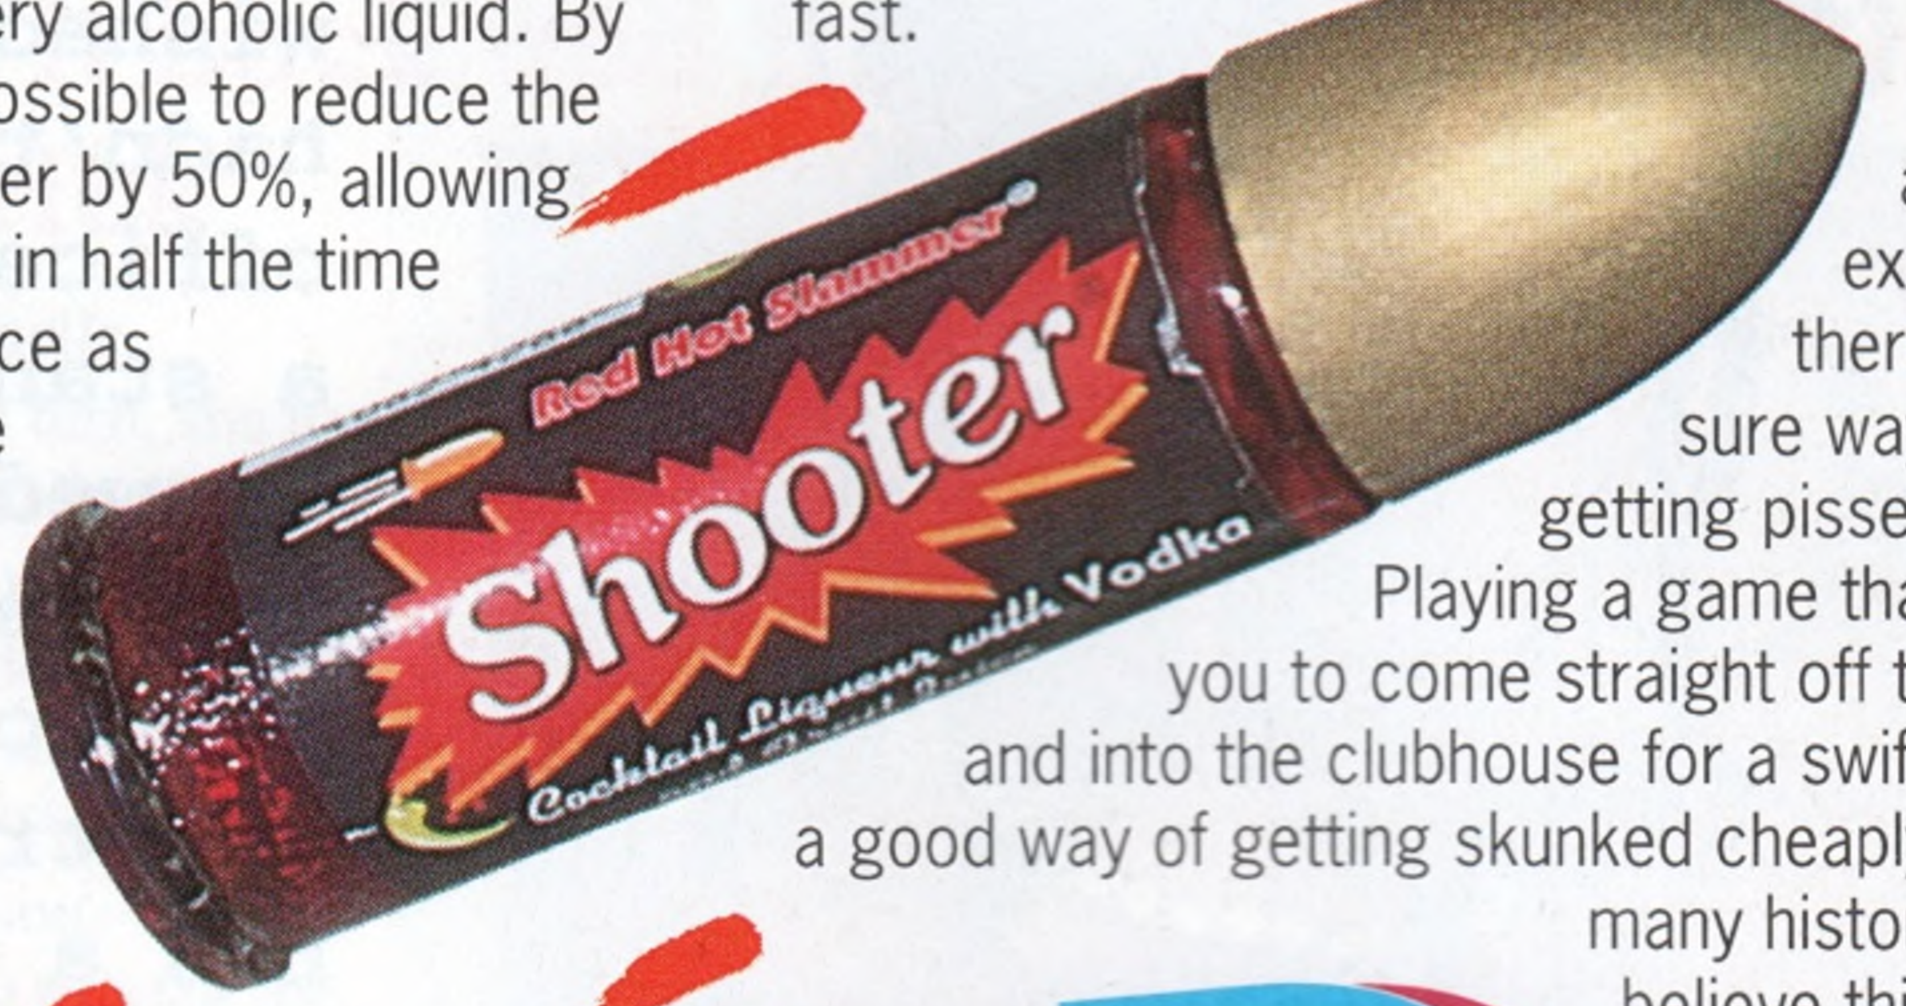
# k till you drop

### JELLIES

One problem with strong drink is that, frankly, it often leaves the kind of flavour in your mouth that makes kissing a baboon's arse seem like a potential breath freshener. Trying to bucket down a load of Owd Nadger's Scrumpy is likely to send your taste buds into open revolt. Your body knows what is bad for it, you see, and your taste buds are like some kind of mad seaside landlady who does not allow unmarried couples to share a room. Disguise is the key. You must fool your taste buds – persuade the mad landlady that this giggling nymphet who has just left a lipstick stain round your chopper in the pub toilets is in fact your sister, the Sunday school teacher. If you don't, the outcome is immediate eviction. The best way to disguise drink is to make it into food. Obviously you'd have to eat a fuck of a lot of beef bourgignon to get merry, so jellies seem the best way. Get a packet of instant jelly (any flavour will do, but lime's my favourite) and add half the required amount of boiling water, as the mix cools (alcohol evaporates at quite low temperatures) top up to the required levels with vodka and pour into an ice cube tray. Allow to set, pop out the jellies and eat them. Your taste buds will be totally outfoxed and you will totally be out-of-your-boxed.

### FREEZING

One way of increasing the alcoholic content of beer or wine is to bung it in the deep freeze. Alcohol freezes at much lower temperatures than water so after a couple of hours you should be faced with a bottle containing a big plug of ice and a small pool of very alcoholic liquid. By use of this method it is possible to reduce the water content of most beer by 50%, allowing you drink it in half the time and get twice as pissed. The only drawback is that the liquid tastes like barley wine. Barley wine is drunk only by Northern women. It is also the reason they look so miserable.



### MIXING

Legend has it that mixing certain types of drink produces a kind of hellish chemical reaction in your insides that results in your brain being enveloped by an alcoholic fog. Combining 'the grape and the grain' (e.g. whisky and brandy) result in total mind-bending drunkenness. A popular event is the US is the 'Trash Can Party' at which everybody brings a bottle and empties it into a plastic dustbin in the centre of the room. The resulting mix is then slurped. The terrible cocktail gets everyone pissed but the position of the dustbin is a bit too convenient for people who can't take their drink. Latecomers at 'Trash Can Parties' are heard to comment that the fruit punch is very tasty but they wonder why the host chose to put so much diced carrots into it.

### EXERCISE

Alcohol gets into your bloodstream quicker if your heart is pumping fast. Drinking after exercise is therefore a sure way of getting pissed quick. Playing a game that allows you to come straight off the field and into the clubhouse for a swift snifter is a good way of getting skunked cheaply. In fact many historians believe this was actually why rugby was invented. And so do many players. ♣

# TWIST AND SHOUT

**When it comes to heckling, says MAURICE SHORT, rugby fans could learn a thing or two about the people who pack the footie terraces...**

Rugby Union has now gone fully professional. The players seem to have grasped the implications of this pretty quickly: the Underwood brothers have made an advert for pizza, while Mike Catt has used the sports pages to slag off his team mates and opponents alike – proving, perhaps, that the fact his name rhymes with 'prat' is no coincidence.

Sadly, the fans just don't seem to have got the hang of things yet. When Will Carling turned up to play for the Harlequins at The Stoop on the Saturday following tabloid revelations about his marital shenanigans, the crowd responded to his arrival with what rugby correspondents agreed was "a sympathetic ripple of applause". As the response of a crowd at a sporting event to a heaven sent opportunity for mirth and merriment this is frankly crap. When it comes to getting the most out of highly paid entertainers, rugby supporters clearly have a lot to learn. They could do well to study the following examples from football, which clearly illustrate how to react to the off-field antics of the stars.

Peter Shilton, then beautifully bubble-permed and keeping goal for Southampton and England, was allegedly spotted putting one round the post in an away fixture in a parked car. His next match placed him in front of a lively crowd at Highbury. Well versed in the expected mode of behaviour for a group of fans at a sports event, the crowd responded to his arrival not with anything so feeble as a 'sympathetic round of applause', but with a ditty, to the tune of *Bread Of Heaven*: "Peter Shilton, Peter Shilton/Does your missus know you're here?" Old Trafford was the scene of another fine example of fan behaviour. Man. United boss, Tommy Docherty, got involved with the physio Laurie Brown's wife, Mary. Excited by news that The Doc had found a new way for the physio to ease away pre-match stiffness, the Stratford End greeted The Doc with the cockney tune: "Who's up Mary Brown/Who's up Mary Brown? He's up, He's up/Tommy Doc, he's up/He's up Mary Brown".

Rugby Union supporters can clearly learn from these examples. Next time Will Carling appears I expect at the very least to hear, blasting from the terraces, that old Sweet hit: "Little Willie, Willie can't go home".

Tommy Docherty: he's up Mary Brown

● Channel 4's Friday night offering *Passengers* recently gave 8.5 million pound man Stan Collymore a camcorder to film his own video diary. Stan and his mates were seen piling down to Liverpool's grooviest club, Cream, and hanging about in the VIP lounge. Stan has a reputation as a fanny-magnet so it was fascinating to find that his main chat-up line seems to be "Do you know who I am?". The obvious answer to this is "Yeah. You're that bloke who sits on the bench an Anfield once a fortnight", but unhappily the women are just too busy slavering down their cleavages to utter it.

Mind you, Stan would have to hire himself a traction engine to match the pulling power of Middlesborough's midget Brazilian, Juninho. Not put off by the fact that their idols' nickname translates as "The Little One", the girls from Ipanema and beyond bombard him with 5,000 letters a week, many containing offers of marriage and lingerie. Asked to explain the attraction of a dwarf with a face that appears to be pebble-dashed, the lady who runs Juninho's Sao Paulo fan club said: "He looks like the kind of boy who would love you forever". Obviously the regulation British two-and-a-half minutes just isn't enough for these Latin American birds.

● Birds of the feathered variety have also made their mark on sport recently, though fortunately not literally. Racing pigeons are disappearing in ever greater numbers and scientists are investigating claims that the birds' navigation systems are being affected by mobile phones. Personally, I think they'd be better off investigating the effect racing pigeons have on young

athletes. Mike Tyson and Duncan 'Disorderly' Ferguson are the only homing pigeon crazy sports stars I can think of, and both have ended up in jail. Suspicious, eh? Spookier still in many ways is the ability of Celtic fans to see into the future. When Drunken Duncan played for Rangers in the Old Firm derby a couple of years ago they serenaded him with the words: "He's tall/He's skinny/He's going to Barlinnie". Move over Mystic Meg.

● Team sponsorship is big business, but in the past it has resulted in some odd sights. Oxford United once ran about with the word 'Wang' emblazoned across their chests, for example, while Luton laboured under the burden of shirts carrying an ad for 'Universal Salvage Auctions'. Brighton's 'NOBO' and the black woolly mammoth that adorned the front of Strasbourg's kit are but two more embarrassing incidents. Hearts should go out, therefore, to the team from Venice who have just signed a deal with a local marital aids emporium. The club, which plays in the national USIP League, now rejoices in the name Team Punto Rosso Sexy Shop. Their shirts also carry the sponsor's logo. What this is has not yet been reported but the fact the shop's name translates as 'Red Tip' should enable us to guess. According to the shop's owner, Valeria Catellaro, Team Punto Rosso will soon have their own "pom-pom girls wearing very little on the touchline". The pom-poms I get. But where is a girl's touchline? ♣

# EARL BRUTUS

**Matt Moore** meets the best band in Britain...

It's 2am at a huge sports centre packed with kids from the Reading festival next door. In between techno DJs, loads of drugs, people choking on their own vomit and another dirty hot dog, Earl Brutus are onstage lost somewhere in-between The Glitter Band and Kraftwerk on alcohol. The band are dressed in shell suits bought on the Edgware Road. A chip shop sign revolves under the strobe and cheap disco smoke. Fireworks explode. By the end of the band's first electronic football chant, the drums are in the audience and the sequencers are on fire. The band launch into That's Livin' Alright – the theme from Auf Weidersen Pet – and the stage is finally invaded by the audience. Or are they the band?

"They really liked it. One of these American guys said that we were better than Foo Fighters. He came six thousand miles to see us," says vocalist Jamie, brother of Martin Fry from ABC.

I met band members Jamie, Nick, Gordon and Rob with their manager Gareth at a Kilburn greasy spoon near where the band have been producing demos. Not present for bacon and eggs were Pablo (bouncer/atmosphere attendant) and Stuart (also an atmosphere attendant).

"Straight up, there is a girl that has a fantasy about Earl Brutus wiping her down with damp shell-suits after she comes out of a jacuzzi."

> **"There is a girl that has a fantasy about Earl Brutus wiping her down with damp shell-suits after she comes out of a jacuzzi"**

First coming to attention after their single Life's Too Long (released by Ice Rink in 1993), Earl Brutus have been threatening to blow up discos nationwide ever since. With a single On Me Not In Me launched in Autumn 1995 to critical acclaim the band landed a record deal with Steve Lamacq's Deceptive label. A record deal that has enabled each member of the band a neon sign with their individual name on it. Deceptive, fresh from overwhelming success with Elastica, have high expectations for the band that release their first single, Navyhead, for their label on February 14th.

What is Earl Brutus?

"It's a revolving sign at the moment," Jamie says, seriously.

"It's a band for people that are more interested in beer than music," adds Rob.

The band insist that they were all born in 1961, denying the idea that being young is cool. Meeting their new label boss Steve Lamacq for the first time, they lied that they were even older.

"That's the motivating factor. Most younger groups aren't very good at it, they just haven't got a clue. Just because you're older it doesn't mean you don't get excited about things. In fact, you often get more excited about things..."

"And you're better at pleasing the ladies," adds Nick.

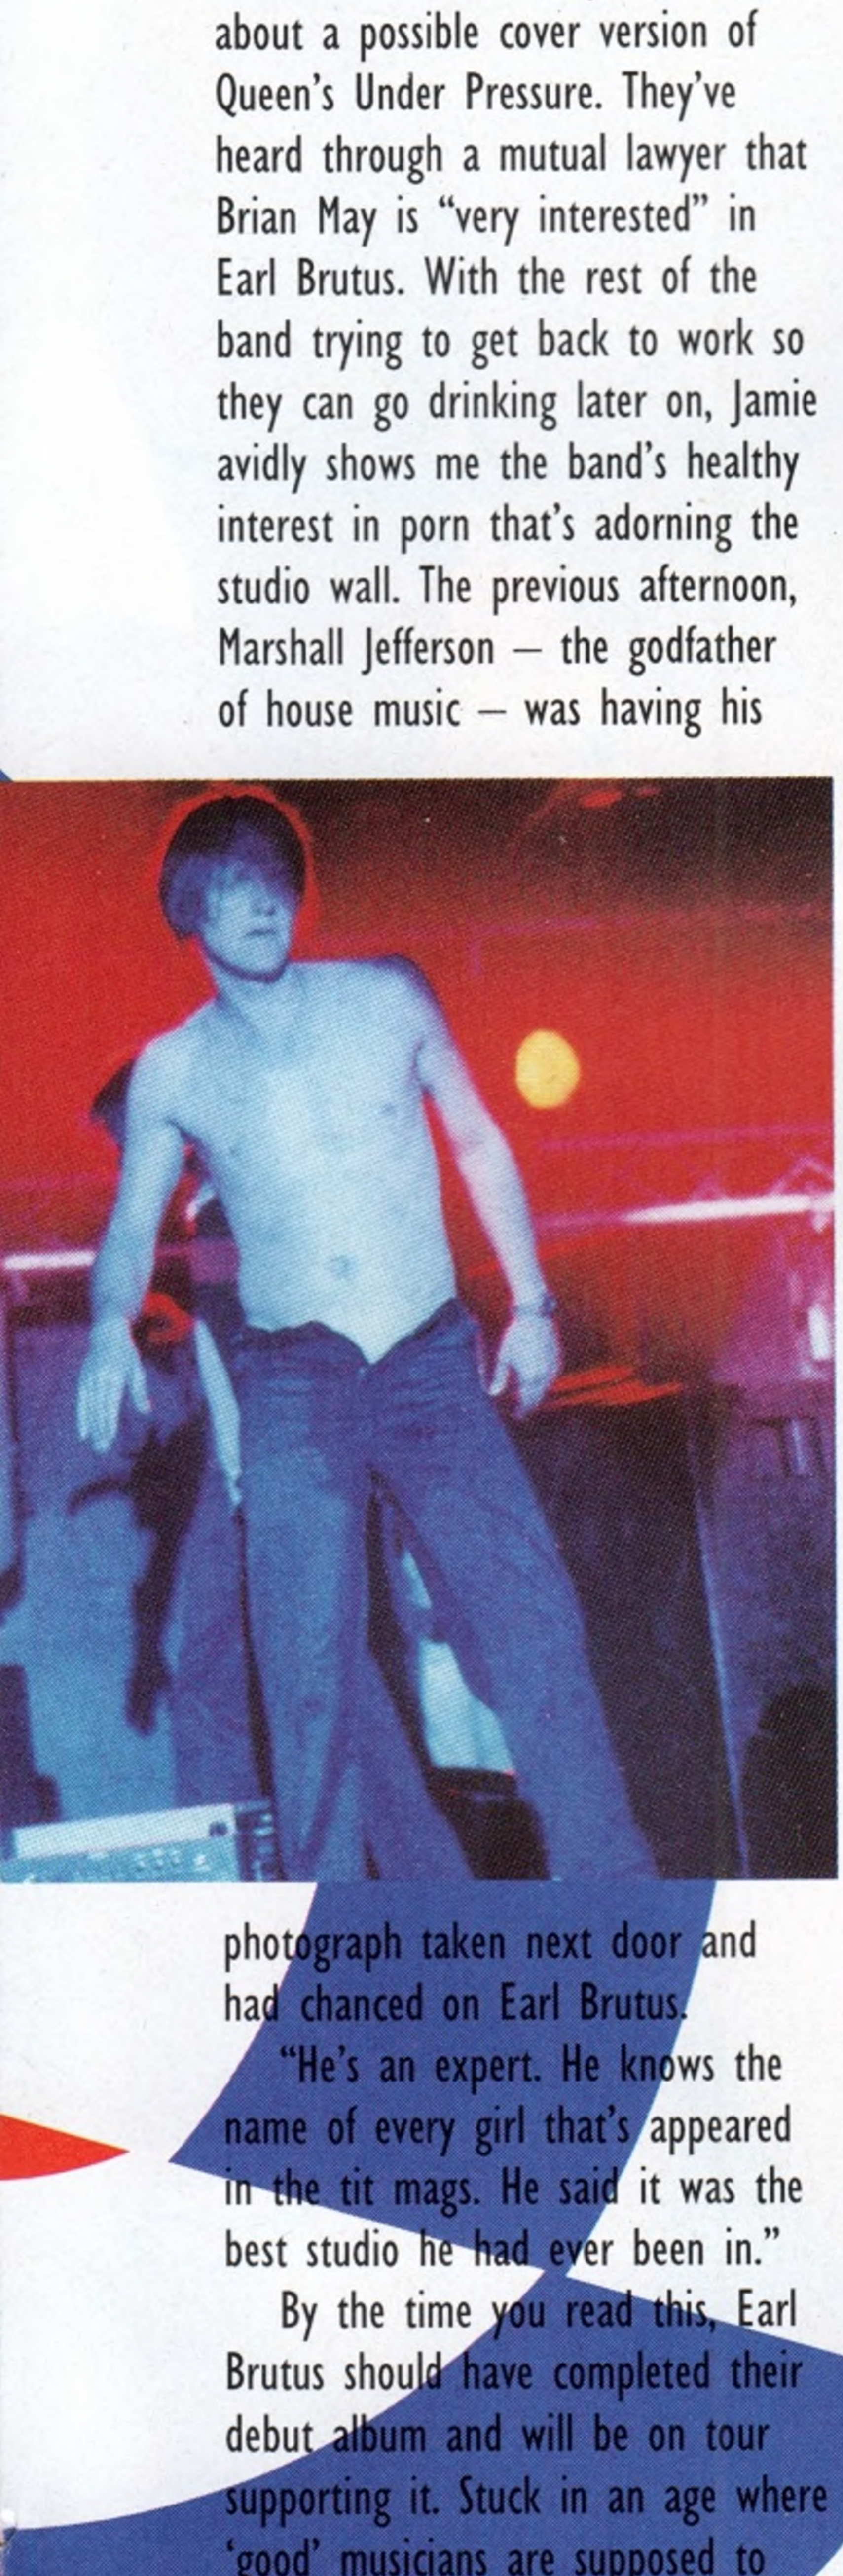
Part of Earl Brutus' notoriety has been fuelled by the fact that the gigs they have played have been on the back of other peoples' big nights out. During Manchester's In The City festival they left their mark at the Hacienda Club playing in-between Danny Rampling and top rave outfit

Evolution at the Cream party.

"We also played at the Blow Up party. There was 1,500 mods waiting for the special guests and they thought that Blur were going to play," says Rob. "We came on and ended with That's Livin' Alright. These people were so angry."

Jamie takes up the story. "Before we came on, this guy was like, 'You're not doing this, you're not letting bombs off'. He was just a boring careerist. So we said to him if he was in charge during the mod revival they were busy replicating, where would Keith Moon stand? Would Keith Moon be allowed to be in a group? Of course it didn't make any sense to him."

Back at the band's studio around the corner, they're talking about a possible cover version of Queen's Under Pressure. They've heard through a mutual lawyer that Brian May is "very interested" in Earl Brutus. With the rest of the band trying to get back to work so they can go drinking later on, Jamie avidly shows me the band's healthy interest in porn that's adorning the studio wall. The previous afternoon, Marshall Jefferson – the godfather of house music – was having his photograph taken next door and had chanced on Earl Brutus.



"He's an expert. He knows the name of every girl that's appeared in the tit mags. He said it was the best studio he had ever been in."

By the time you read this, Earl Brutus should have completed their debut album and will be on tour supporting it. Stuck in an age where 'good' musicians are supposed to look like Paul Weller and the only people who put on 'shows' are Take That, Earl Brutus are a breath of fresh air in a room full of stale farts.

"We've hardly done anything, but everything we've done has got a reaction," says Rob. "The worst thing you could ever have is people being indifferent to you."

"We're not so pompous to say that we're in this group to wind people up," stresses Jamie. "We're a good group and if people can't handle it, that's their problem." ♣

Sex, sex, sex; that's all you boys think about. So that's all we think about too. Talking Blue is world-renowned as the sexiest, naughtiest, rudest little confessions section. And as for the readers' letters, well, don't blame us, you write 'em!

## The girls...

Ever since the first issue, Club girls have been easily distinguishable from all the others because they're... err... better looking. Our policy? We've always gone for fashiony-type girls with nice tits, a firm bottom and gorgeous face. Simple.

Twenty five years old today – and Club still doesn't look a day over 16. Of course, because it was launched with Volume 1 Number 1 in 1972, it actually means that this is only the start of our 25th sexy little year, but who gives a toss? It's a good excuse for a party – and a perfect opportunity to look back at Club over the years and see what's made us the best men's magazine in the world...

# Birthday!

## The stars...

Club has always known one thing for certain: the girl in the street with the short skirt and tiny top, jiggling along and winking at you is just as sexy as some girl off the TV. But when the fit and famous have dropped their panties, Club has been there to catch them. Madonna, Sherilyn Fenn, Barbara Carrera – oh yes, they've all had their badgers out in Club. Who next? Ulrika Johnsson, perhaps...

## The fashion...

Club has followed fashion like dogs follows cars. Back when the mag started it featured dodgy fashion spreads showing blokes in 72-inch flared jumbo cords and girls wearing nothing. Today's Club features dodgy fashion spreads showing blokes in 72-inch flared jumbo cords and girls wearing nothing. Some things never change.

## The attitude...

Like the kid who can't sit down on the bus, Club has always had a behaviour problem. It won't do what it's told and it won't shut up. It just goes out and has a good time with lots of booze and naked birds. Just like the people who read it, really. In the editorial of issue one, Editor Mike Power introduced Club as "a weird and wonderful magazine: a rare combination of exquisite women, serious comment, rank bad taste, and sexual enlightenment." Of course that "serious comment" bollocks had to go...

"Never mind the bollocks – just give me your pricks!" That's the motto of 19-year-old nympho, Courtney from Kent. The posh punk rocker models her style on bad girl, Courtney Love of Hole.

"But I make her look like an angel," says Courtney. "I'm a serious slut at the moment. Sucking and fucking every cock I can get my hands on. I can give a bitch of a blow-job, teasing it with my tongue before drinking down all that lovely spunk. I guarantee any man will want an encore when he's seen my performance!"♣

### DAYTONA USA

**Cost:** £1 per player
**Features:** up to 4 players, 3 different tracks.
**Extras:** hydraulic suspension system
**Verdict:** An absolute blinder of a game. Up to four of you clamber into your realistic bucket seats as you throw your Indy 500 car around the Daytona track, and then race each other, smash into each other and do your best to make the person next to you (who only 30 seconds earlier was your best mate) get smashed into the concrete barriers and die. The idea of the game, obviously, is to come first, but when there's a load of you battling it out together, all you care about is beating them and as violently as possible too. The whole game is amazingly realistic; you really have to fight with the steering wheel to get it round corners and if you don't know what opposite lock and oversteer is you bloody well will by the end of it. It's fucking exciting for everyone, judging by the pools of botty sweat left in the seats, and to make matters worse, each player is videoed and the image of your bug-eyed, straining red face is transmitted for the world to laugh at from huge screens above you. A brilliant game. Get four friends together, play it, then punch the shit out of each other afterwards. ♣

## SKID MARKS competition

How do you fancy getting your hands on the dirtiest racing game ever? **Super Skidmarks** (Sega Mega Drive) is guaranteed to leave with you just that in your underpants as you race against six other cars over 49 different tracks. This is pretend road rage for those who haven't the bottle for the real thing. The only way to get out of the starting grid deadlock is to bash your way through the rest of the pack and run them off the road. Race on the ranch, on the beach, in the snow, in the rally... but most of all in the shit.

We've got just one copy to give away thanks to those tight-fisted gits at the PR company, but we managed to wrestle half-a-dozen tee-shirts from their sweaty grasp. ## WOMEN'S WRITES

*Where the girls get down to business*

### SWEET JANE

I'm 19 years old, and although I'm at college, I still live with my parents in a huge house out in Hertfordshire. My father's always away on business, and last weekend my mother went to visit friends in Kent. Unfortunately I didn't have the house to myself, as one of my father's business acquaintances, Donald, had come to stay. This meant that I couldn't have any of my boyfriends over. Just my luck – no sex, or so I thought!

My name is Jane, by the way, and I've just finished my A-levels. I have dark hair, blue eyes and I'm very fit. This is mainly because of my love of horse-riding. We have our own stables and I get a ride whenever I want one. Anyway, Donald, turned out to be gorgeous, about 25, and quite strait-laced. I felt seriously horny the first moment I set eyes on him, yet it wasn't until the second night that my feelings got the better of me.

**I wrapped my lips around his shaft, sliding it back and forth in my mouth**

I had just returned from the Hickstead show jumping trials and found Donald in the lounge. It was quite late and he was reading the evening paper, his eyes peering up at me. I still wore my riding gear: creamy tight jodhpurs, long black boots, a shirt and red waistcoat. This obviously had an effect on him as he began fidgeting nervously. I know I look sexy, and I could sense he was getting turned on. "Do you like my outfit?" I asked, gliding my hands over my bum. He blushed bright red.

"I think I'd better go to bed," he said anxiously, going up to his bedroom.

Well, this annoyed me a little bit. I wanted Donald to give me a seeing-to, and I *always* get what I want. I marched quickly upstairs and sat myself down on the desk, my feet upon the chair. "You didn't answer my question," I teased. Donald sat on the bed, his face a mixture of astonishment and lust. "Well, do you?" I repeated. He nodded his head.

This was enough of an invitation for me. I slid from the desk, turned, and lowered my jodhpurs, exposing my smooth pink arse. "Do you like my bottom?" I cooed. Donald said nothing, he didn't have to, the bulge in his trousers said it all. "How would you like to screw me over this desk?" I said, smiling innocently. Donald no longer looked surprised, his expression had turned into pure desire. He stripped, revealing a stiff, thick prick, its bell-end glistening succulently. Removing my boots and jodhpurs I knelt before him. I gripped his tool tightly between my fingers, pulling it towards my mouth, my outstretched tongue lapping feverishly at his helmet. I love the taste of cock and this was no exception. Fondling his balls with one hand I wrapped my lips around his shaft, sliding it back and forth in my mouth, taking it as deep as I could.

My whole body ached with desire; my pussy needed some action. Removing Donald's cock I looked up hungrily. "Fuck my pussy, fuck it now!" I insisted. Turning me around, Donald bent me over the desk, exposing my cunt to him in the most available manner. I gripped the edge of the desk, my small but pert tits pressed against its top. Donald's cock slid inside me. I began to moan rhythmically as he pumped furiously.

Suddenly I came, a tide of pleasure washing over me;

my pussy was so wet I could feel my juices trickle down the insides of my leg. This obviously encouraged Donald, because he began to fuck me harder, his hands gripping my arse cheeks. "Come over my arse," I begged. Donald pulled out his prick, wanking it furiously. I arched my back, accentuating the curve of my bottom, as I heard him climax. His hot sticky spunk squirted all over my ripe young bum, slowly running down between my cheeks.

Lifting myself up from the desk I scooped up his come and slowly, looking directly into his eyes, licked it from my fingers, my mouth open and my lips pouting. "Lie on the bed," I told him. "I'm going to ride you." Donald did as I asked, his cock quickly regaining its former glory. I removed the rest of my clothes and standing before him began to tease my clitty, pulling my lips apart in order to show him all of my glorious pink twat. Donald's cock began to twitch excitedly. "Do you like my body?" I purred.

"You bet I do," he said.

I clambered onto the bed and mounted his cock. My thighs gripped him, lowering myself and forcing his prick deep inside my bush. His balls, firm and tight, pressing against me. I orgasmed again, shuddering with excitement and desperately trying to hold on as Donald thrust upwards. Beads of sweat trickled between my cleavage, my tits jutting out proudly as my swollen pink bud massaged the base of his shaft. "Oh, yes," I whimpered, "give it to me – make me come!" He began screwing me like there was no tomorrow. I tightened my cunt muscles around his dick as I gasped my way to a third orgasm. This in turn made Donald come, his warm seed filling my soaking pussy as his teeth clenched in pleasure. I fell onto the bed beside him, satisfied, if not a little guilty, at having fucked my father's business acquaintance!

Over the next few days we bonked on several occasions. "We will have to get together again soon," he said, before eventually leaving. I'm not sure if I'll bother though. After all, I've got a whole stud farm of men to get through around here, and I'm not even at University yet! – *Jane, Hertfordshire*

### SHOW TIME

If I had to describe myself to your readers, I'd say that I'm an exhibitionist. The problem is I just can't seem to stop myself. Every Friday night I'll go out on the town wearing the shortest of skirts and the tightest of tops. Displaying myself in this way is such a turn-on, knowing all those horny men are ogling my body. Doing aerobics helps, as it keeps me firm and fit. Peter, my boyfriend, far from discouraging this type of behaviour seems to positively thrive on it!

However, last month the whole thing got out of hand when Peter invited a bunch of his pals over. Here's what happened…

It was a Saturday night. Peter and his friends had just returned from watching an

amateur rugby match. I love it when he brings his sporty friends around – I always get the attention I crave. I passed out the drinks, flirting like mad, and in no time all their eyes were on me. Peter was talking to two lads, Dominic and Christian, yet he couldn't help but stare too. He beckoned me over and I obliged, sauntering towards him, wiggling my bum as I walked. "Why don't you show my mates your new clothes?" he whispered.

Well, even I was a little apprehensive; you see it was no ordinary costume. It was a see-through slip and white sleeveless blouse – the kind of thing more suited to the bedroom, rather than a gathering of the lads. But as I have already said, when it comes to flaunting, I can't help myself!

A warm, tingling sensation started in my stomach. As I left the lounge for the bedroom the sensation spread its way down to my pussy. Closing the door behind me, I began to strip.

We have a full-length mirror on our wall and, once naked, I stopped, just for a while, to admire my figure. I marvelled at the sight of my body; my long dark hair cascading over my breasts. My hands strayed down over my dark pubic hair, the fingertips finding their way to my pink, wet bud.

"Are you ready?" Peter called from the hallway.

"Just a minute, honey," I answered. I hurriedly dressed, putting on my satin slip and matching blouse. I looked *so* sluttish: the blouse showing the top of my boobs, squashed upwards by my Wonderbra, and the see-through slip displaying my long legs.

My heart pounding, I entered the lounge. Peter had obviously told the lads of his plan, as they were all in a semi-circle awaiting my arrival. There were plenty of wolf whistles and someone turned up the music. It felt so erotic – a dozen eyes exploring my body. "Get 'em off!" came a voice from the throng – it was Peter!

**My hands strayed down over my dark pubic hair, the fingertips finding their way to my pink, wet bud**

It was such an irresistible idea. I started to strip. First I removed my blouse, revealing my breasts encased in their lacy bra. Then the bra itself came off. The circle of men decreased as I began to play with my tits. "Do you like them, boys?" I teased. Then, gyrating my hips, I slipped off my petticoat. A roar of approval came forth – my cunt was exposed for them all to see.

I sat on the sofa, closed my eyes and spread my legs. I could feel them all surveying my cunny. With one hand I eased apart my love lips, providing them with a better view, whilst my other hand played with my clit. "Oh… yes… that feels so good," I moaned, bringing myself off. When I opened my eyes, Peter and his friends were close enough to touch. Several of them, Peter included, even had their cocks out! "Wank over me. Toss over my sexy body," I panted deliriously.

Peter stepped forward, his manhood twitching wildly. "Sit down," I told him. "Let me squat on your dick!" Soon I was on Peter's lap, sliding up and down his shaft. And what a sight I had as I fucked him – a row of men before me, wanking their pricks, their bell-ends shining with pre-come. "Who's going to be the first to spunk on me?" I said, my body aching with pleasure.

Within seconds of these words leaving my mouth, Christian came, ejecting thick clots of semen into my face, my tongue straining to reach it. This prompted the others and it was soon coming from all directions, showering me with their saltiness. Some in my hair, some over my tits. One, I think it was a guy called Dominic, spurted onto my tongue. Tightening my pussy muscles around Peter's nob and rubbing my wet boobs, I orgasmed as never before – my clit throbbing beautifully. Then just as I was about to collapse, Peter came too, shooting his load and filling my twat.

I have to say that everyone left rather sheepishly after that. Peter thinks we might have taken this exhibitionist thing a bit too far. Personally I don't think we went far enough! Still, I guess that's just the kind of girl I am. – *Lynne, Southend*

### SWINGING TIME

Your stories in the Talkin' Blue section never fail to get me feeling horny. I've always been turned on by reading about other people's sex lives, and I have to admit to being something of a voyeur too. I remember once wanking for a whole night after I caught a young couple screwing each other while I was walking my dog on the local common. Watching their frenzied coupling turned me on so much that I just couldn't stop myself!

I guess I've always been a bit of a swinger. By that I mean I love group sex, and I don't mind whether it's with men or women. And if there's a combination of both, all the better. I love a good length of cock any day of the week, but there's something special about the feel of another girl's tongue licking all over my body. After all, who else would know how to pleasure me better than another girl?

I seem to have looks which never fail to attract other women. I'm a brunette with shoulder length hair and a slim body which I love to flaunt in tight clinging outfits. Lycra with everything and as skimpy as possible is my choice, and I always seem to end up wearing red or black, which means that wherever I go I am always sure of being noticed. And getting attention from either sex is always gets me wet between the legs.

What I'd like to tell your readers about is something that happened to me recently, though I must admit it has been brewing up now for some months. It was back in October last year that a new boss started work at the office. Suzie is a couple of years older than I am, and I knew from the first time our glances locked that we were of like mind.

I felt attracted to Suzie straight away. I can't really describe why, or even how I became certain that she was a swinger like myself. But I think my sense of excitement came from the fact that she was in a position of power over me. I loved the way she dressed in the office; a smart suit and sheer black stockings with high-heeled patent leather shoes, her long blonde hair pinned up in a bun and spectacles. I could feel her gaze follow me around the office as I went about my work, and after a few weeks I could feel myself trembling with arousal when she was near.

One night when we were working late to finish an important last-minute order, Suzie suggested that we crack open a bottle of wine. Of course, it went straight to my head, and soon we were sitting in the darkened office with our feet up on her desk, sharing confidences about our sex lives. I was surprised to find that Suzie had been married for two years, but she told me that she and her husband Geoff had an open relationship and were free to have sex with anyone.

**I felt her fingers probe the wet gusset of my panties**

"So what kind of people do you like to have sex with, then?" I asked, curious.

"Girls like you, for a start," Suzie told me. I could feel my legs go to jelly, and it wasn't just the alcohol. My whole pussy felt as if it was on fire, and I could feel my knickers getting wet through with my juices.

Suzie carried on, warming to her theme. "I've always fancied other women, and Geoff encourages me to find and fuck as many as I want. Sometimes he likes to watch, and sometimes it's enough for him just to know I'm getting my rocks off. If he's watching, though, it really gets me turned on. Just thinking of that cock getting all hard because of me, and the come rising in his balls…"

I was almost desperate for a frig by now, and Suzie knew it. I think she was enjoying the fact that she was getting me hot and bothered, and there was nothing I could do about it. I sat absolutely still as Suzie came around to my side of the desk and stood between my spread legs. I closed my eyes and felt her hands moving up them, smoothing the material of my stockings until I felt her fingers probe the wet gusset of my panties. I couldn't stop her as she began to frig me off through the material of my panties, and it was only a moment or two until she had brought me off to a delicious orgasm.

"I think you'd better be introduced to Geoff, Rachel," she suggested. We

arranged that I would go out with the pair of them the following week.

Suzie had booked a table at a very high class restaurant on the other side of town, and told me that I should dress up for it. "You can't imagine how much it would turn me on to see you in a black cocktail dress," she whispered to me in the office later that week. "All that creamy white skin and your black hair with dark velvet… I'm almost coming just thinking about it."

I was very excited too, feeling Suzie's nipples pressing right up against my back through the material of her suit. I could feel the hot mound of her pussy against my bum, and the agony of waiting for the day when I knew she was going to fuck me intensified.

I arranged to meet Suzie and Geoff in the restaurant itself, so that we would have as little chance as possible of being spotted by anyone we knew. Over the meal there was a lot of touching each other's hands and legs, all under the amused glances of Geoff, and a good deal of frank talk from Suzie about what she wanted from me.

"It's such a turn-on knowing that I'm your boss," she told me as we ate. "Knowing that I'm able to tell you exactly what to do when I want."

I knew Suzie was really into the power trip thing, and I must admit that part of my excitement stemmed from the fact that I was now totally in her power. I felt her bare toe inching up my inner thigh under the table, rubbing the soft flesh there. Suzie looked at her husband. "She's wet for me, Geoff," she told him in a matter-of-fact voice. "I think you should pay the bill so we can go home. I think Rachel needs to be fucked now."

I barely remember the car journey home, except that Suzie and I were in the back of the car while Geoff drove. Suzie had her hand up my skirt, pushing aside my panties so that she could probe my pussy with her fingers. I orgasmed right away, shaking so much that I was sure I would make the car swerve, but Geoff just drove on. Then Suzie told me that she wanted me to finger her. I slid my hand up between her legs and pushed aside her panties so that I could feel her pussy for the first time.

I started off frigging pretty fast, but Suzie soon stopped me. "Go slower, just like you would do to yourself," she whispered. I slowed my fingers down and frigged her more deliberately, easing the tips of my fingers in and out of her wet hole and feeling the muscles clamping around me. I eased more fingers in, and the more I did that, the louder Suzie moaned.

"Oooh, you're making me come," she groaned as I pressed down on her clit with my thumb. Just as she came again, the car pulled into their driveway and Geoff opened the door.

"Come on," he grinned. "Let's get indoors where we can really get down to it."

A couple of minutes later, I was standing in the middle of Suzie and Geoff's luxurious bedroom, allowing them to strip off my clothes.

"Mmm, you really are as lovely as I imagined," Suzie told me as she and Geoff undressed themselves. "I can't wait to eat out that pussy of yours – and I can see that Geoff's keen to get going on you as well."

He certainly was, judging by the size of his hard-on.

**I eased the tips of my fingers in and out of her wet hole**

"Kneel down and go down on Rachel," Suzie told her husband. "I want to see you eat her out."

Geoff was immediately down on his knees, pushing his tongue and fingers inside my pussy and slurping away at my juices. I ground myself down on to his face as Suzie sucked at my tits and ran her hands all over my back and bum. I've had the pleasure of experiencing another woman touching my naked body before, but there was something expert about Suzie's touch. As I felt the assault of two pairs of hands and tongues, I imagined it was my first time all over again and I trembled to a very intense orgasm.

Next I was carried to the bed where I spread my legs and felt Geoff's legs parting mine further. "Fuck her, fuck her hard!" Suzie was urging, and when I felt the fat head of his cock probing into my soaking hole I came again. I'd never been so relaxed and so excited, though none of this was anything new to me. As Geoff knelt between my thighs and pulled my legs up around his waist so that he could get the deepest penetration possible, I felt Suzie get onto the bed beside me. I could smell the come juice as she lowered her wet snatch over my face.

Suddenly, my mouth was engulfed with pussy, Suzie's wet lips covering me as she ground her pussy down to make me lick her out. I've never known a pussy that tasted so sweet, and I was soon eager for as much come as Suzie could give me. As she came on my face, I licked her again and again.

Meanwhile, Geoff's pile-driving cock was building up another orgasm inside me, and this time I felt it through my whole body. I thought my nipples would explode as I climaxed, and no sooner had I come once, than I was ready for another one. Suzie had turned around on top of my face, so that she was watching her husband.

"Come on her tits," she ordered him. He whipped out his cock and sprayed a white trail of come all over my boobs. Suzie began to rub it into my skin, then using her tongue she licked me clean, savouring the taste of her husband's come on my skin.

After that, Geoff needed a few moments to recover his strength, and so Suzie and I occupied ourselves with a hot 69, coming in each other's mouths. Then he was ready to dive straight back in, this time treating his wife to a good length of cock as I sat on her face.

As you can imagine, once Suzie and I had got to grips with each other, we found that we couldn't stop. We are still working together, and we find it very difficult to keep our hands off each other. I'm insatiable: every time Suzie even brushes past me in the office, I'm so turned on that I have to frig myself, or we lock the door and play with each other. Geoff hasn't yet joined us in bed again, but I'm sure that's not too far in the future. In the meantime, he gets his rocks off by watching his wife and her lover going at it!

## KEEPING FIT

I've been reading Club ever since I suspected that I may have lesbian tendencies at the age of 18. Your magazine is always packed with the most gorgeous women, and I especially like the innocent looking girls you feature.

One of my favourite sexual exploits is to seduce women, preferably those younger than I am (I'm 24). I don't find it very hard to do, and I'll tell you why. Firstly, I can honestly say I'm very attractive, with long blonde hair and a fit, athletic body. Secondly, I run a dance studio complete with its own flat above – ensuring I have a constant supply of beautiful young women. Several months ago I was starting to get a little bored with this 'hobby' of mine when who should walk into the studio? The most stunning, pure-looking 18-year-old girl I've ever seen in my life! Her hair was long and blonde like mine, and her body was curvaceous and thin.

My nipples stiffened the instant I laid eyes on her and I had to force myself not to stare. Her ripe young tits standing proud and frustrating close, she asked me about dance lessons. "Is it very difficult?" she asked.

"Not at all," I purred reassuringly. "Come along tomorrow night and I'll give you a beginner's lesson." She thanked me and left her name – Michelle. The next 24 hours went far too slowly and I had to use my favourite dildo on more than one occasion that night.

When she arrived the next evening, my clit was throbbing with anticipation. And boy did she look good in her white skin-tight leotard. "Where do we start?" she asked. I placed her hands firmly upon my hips, their warmth exciting my flesh, then positioned my own on her shoulders.

I was wearing the most seductive dance costume I could find. It was a pink jump-suit with matching hold-ups and just for extra effect, high heels. She glanced down at them, a puzzled look on her face. "Before you can learn to dance you must first learn how to stretch," I told her. Spreading my legs horizontally into the air, I demonstrated just how flexible I was. This gave her a perfect view of my damp crotch.

"Now you try it," I commanded. As she stretched out her hand, I placed mine on her inner thigh, helping her to gain the height she needed. "Not bad," I commented, letting her lower her leg, leaving my hand where it was. "Your legs are very nice," I told her, my fingers edging close to her young pussy. Her nipples began to protrude through her leotard – my plan was working.

"Thank you," she drawled.

"Feel mine," I tutored, "feel how firm they are." Her hands trembled as she began to stroke my thigh. I

really wanted to push them into my panties but I didn't want to scare her off.

"This is how firm your thighs will need to be," I told her. Next I turned her around, my breasts pressing up against her back. "Symmetry is important," I continued, one arm hugging her stomach, whilst the other extended hers. Grinding my cunt against her bum I positioned my lips close to her ear. "Do you think you're getting the hang of it?" I asked, one hand straying closer to her cunt.

" Yes, I think so," she exclaimed.

"Perhaps you should come with me," I said. Her face was a picture of lust, her lips pouting innocently. I took her upstairs to my flat.

I lead her into my bedroom and sat her down, facing me on the bed. "The best bit about dancing," I explained, "is the shower afterwards." Gazing into her eyes I began to strip. Pulling the jump-suit down to my waist I revealed my tits, showing her my big pink nipples. "They're very large, aren't they?" I purred. She said nothing, her mouth open, her hands drifting towards her damp pussy.

Removing the jump-suit she caught a glimpse of my lacy g-string knickers. Still looking into her eyes I turned, displaying my bum. Her legs opened as she began to rub her twat through her thin leotard, her eyes feasting greedily upon my firm bum.

Discarding my knickers, I moved onto the edge of the bed, one leg up, the other one on the floor – affording her the best view of my cunt. "Mmm, you like that, don't you?" I teased, my hand toying with my wet clit.

"Y-y-yes I do," she purred sexily, her leotard preventing her from doing the same. Understanding her frustration I ordered her to strip. She did so eagerly, baring her pert tits and partially-shaven mound.

"You naughty girl," I joked, her juicy love lips clearly visible. "You're not as innocent as you look!"

Leading her by the arm I guided her into the shower, the warm water rushing over her body I began to wash her, my hands paying particular attention to her stiff nipples. Avoiding her cunt I insured her desperation reached its peak. "Play with my pussy," she begged.

"I will, Michelle," I said. "Do something for me first. My pussy is aching."

She lowered herself until she was kneeling before me. Taking her head I guided her between my legs. "That's good," I gloated, "do it the way you like to have it done to you." Her face buried in my bush, I started to groan. "Oh, Michelle, I want to come on your pretty pink tongue." I had a wonderful view of her slender body as water ran down her back, a

stream flowing down her pear-shaped bum.

It wasn't long before I climaxed, my legs buckling and my hands clasped around her head. "Yes, yes, yes," I screamed, the full force of pleasure shooting through me. Michelle stood up, a look of satisfaction on her face.

"Okay," she smiled, "now it's your turn." I kissed her, our tongues mingling for the first time.

Stepping out of the shower, we dried each other off. Michelle was frantic, rubbing the towel against her pussy. "Come on," I said, "let's go into the bedroom."

Pushing her back onto the bed I opened her legs, her fragrant cunt filling the air with the smell of sex. "Lick it," she begged. She moaned loudly as I began to lap at her wetness. "Oh, that feels so nice," she groaned, "stick your tongue in." I did, poking it out as far as it would go before plunging it into her snatch. I was giving her the best licking I could and she was loving it.

Suddenly there was a ring at the door. I grabbed a towel and went towards it. It was a young man of about 19. "I've come to pick Michelle up," he said. "I'm her boyfriend, Murray." My first instinct was to tell him she had left, but that was before I looked down and saw the bulge in his trousers! The sight of me naked, clutching a towel, was having an effect.

"Come on in," I said.

Letting the towel drop to the floor, I walked into the bedroom, leaving the young man in the hall. Michelle was still in a state of ecstasy. Her legs spread, she had evidently decided to do the job herself and was frigging away like mad! "Let me do that," I said, returning to my earlier position.

Then a gasp came from the doorway. As I had predicted, Michelle's boyfriend had followed me in. "Murray!" she shrieked, her breath shortening although she continued to press her cunt against my mouth. As she achieved her climax, she pleaded for him to join in. "Fuck my friend," she said sternly, her lips pouting. This was a surprise to me as I had expected him to fuck her! But I wasn't going to complain.

"Come on then Murray," I purred, thrusting my bum in to the air. Within seconds I could feel his fat helmet nudging against my love lips. "Give it to me, shove it in my tight cunt," I begged, as I groped under the bed for my favourite dildo. It's one of those vibrating ones, and measures eight inches. Michelle squealed with delight when she saw it as it buzzed into action. "Now the harder Murray fucks me," I told her, "the harder I'm going to fuck you with this."

Murray sank his tool into my cunt. And as he did this I pushed the dildo into Michelle's hole, sliding it back and forth in time with his prick. "Harder," demanded Michelle, knowing that in turn, she too would be fucked harder. Murray did so, pounding his dick faster inside me. Soon Michelle and I were near orgasm again. "Fuck.. YES!" we cried in unison.

"Who's going to suck me off then?" asked Murray, pulling out his cock.

"We both are!" I said. Positioning Murray on the bed, we knelt down, side by side, in front of him. Michelle licked along one side of his shaft while I along the other, his cock trapped between our tongues. I paid special attention to the bell-end, tasting as much of his pre-come as possible. "That tastes good," I told Michelle, "can I have his spunk?"

Michelle smiled cheekily. "Of course you can. Go ahead, suck him off." She watched as I engulfed his meat, my lips sliding all the way down to the base of his shaft and back up. My tongue flicked over his helmet. It wasn't long before I felt a hot gush of his spunk entering my mouth. It tasted good and I swallowed every last drop. "Mmm, thanks," I said appreciatively.

Wow, what a sexy session! I've never felt so satisfied, and my pussy never so contented. When Michelle and her boyfriend left they asked me if they could return another time. "Of course you can," I answered. And they've promised they will!

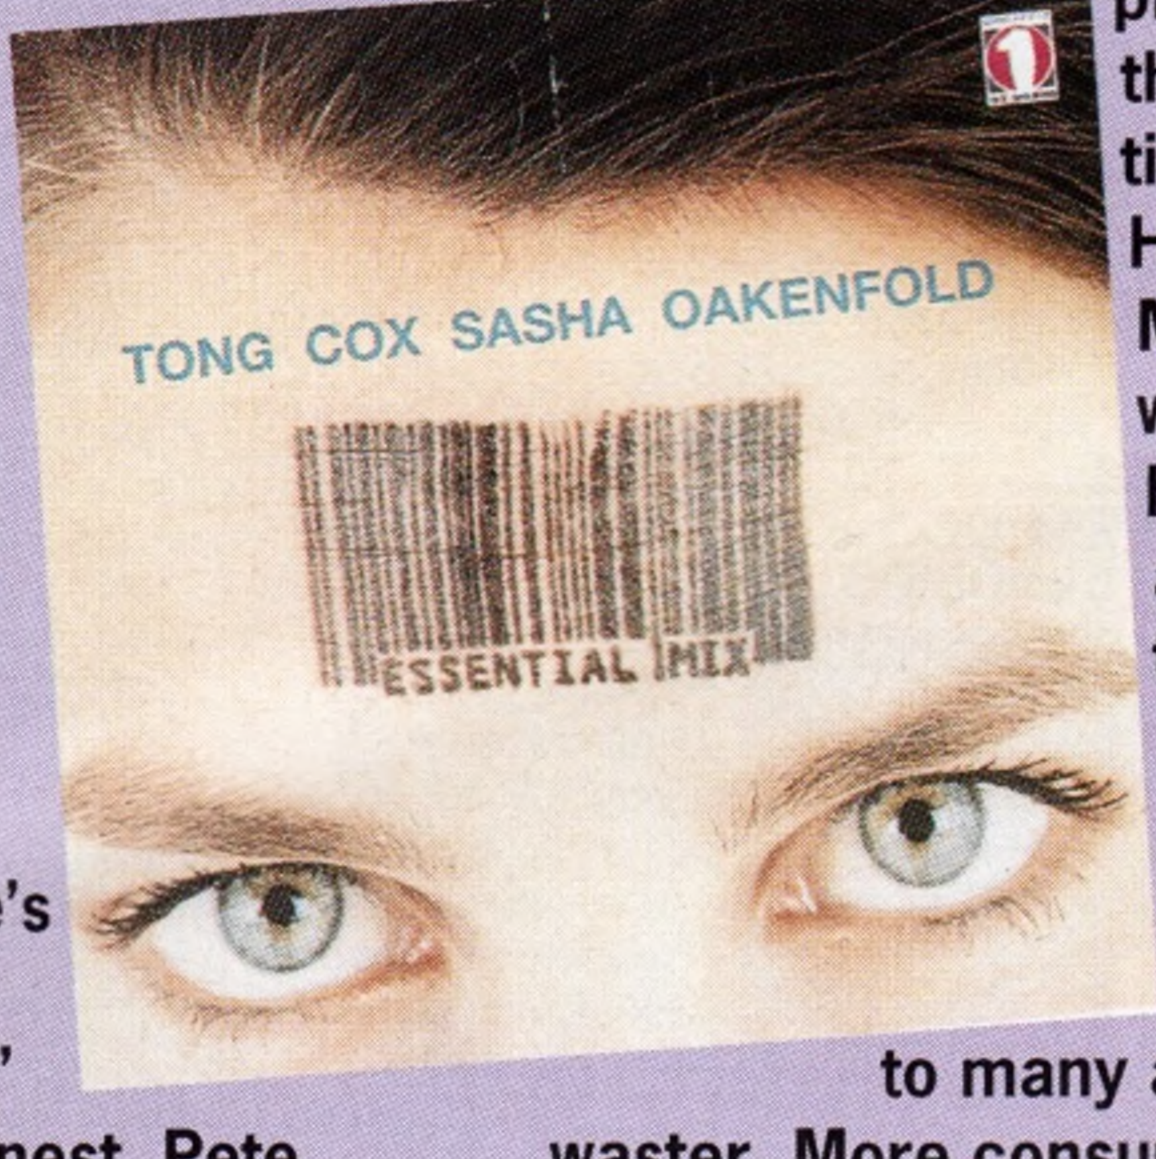
# YEAH! WITH VANESSA WILKS!

'Wave your hands in the air like you just don't care' advises Ms Wilks, who samples the month's tastiest releases...

## Radio One The Essential Mix London Records

**Between the hours of 7-10pm, while the shiny happy people squeeze themselves into their glad rags, Pete Tong's Essential Selection gives the nation the best pre-club livener around.**



**Yes, entirely without the aid of Crunchie, this weekly institution gets you more up-for-it than Paula (on-the-bed) Yates after ten years without a shag.**

**And now that Friday feeling can be re-lived any night of the week. To quote the mighty Tong, here's 'a little something for the weekend...' Four of the UK's finest, Pete Tong himself, Carl Cox, Paul Oakenfold and 'that man Sasha' are spinning on the wheels of steel. Pete gets the party started with a bouncy selection, opening with *Hide-a-way* by Kelli Rich reaching a grand bangin' finale with Wippenberg's *Neurodancer*. 'We continue...' on disc two with mixes from Paul Oakenfold and Sasha. Pauly gives a blissful, tranced-out medley sampling the melody of *Star* by the Utah Saints and the galloping rambling of *Runaway* by Evoke. Sasha takes a while to get going then goes head-on into hismeandering, seamless sonic assault. Feel the touch of God when experiencing the mesmeric *Save Me* by the Beat Foundation, the crescendo of the piece. But then if Sasha is God he certainly does work in mysterious ways as unfortunately the grand finale in a ten-minute bore-a-thon. Although this is of no consequence because it's Friday night and Britain's party massive are stepping into their disco boots and strutting out the door to get down and party.**

**Yeah, yeah, yeah, yeah, yeah**

HAPPY MONDAYS
LOADS

## Happy Mondays Loads London Records

**There's a particular 'large' theory of consumption, borne of the gluttonous Thatcher years, where its protagonists boast about the extent of their excessive bingeing, spending, wastage and ingestion.**

**At the pinnacle of the 'consumption era' were Happy Mondays whose hilarious accounts of their substance abuse was a source of admiration to many a young waster. More consummately shambolic than the Keystone Cops and more bollocksed than Linford Christie's pants, Happy Mondays were the chaotic interface where theory meets practice. The Mondays tenets of the theory of consumption was primarily, NECK IT! Roughly divided into LARGE IT!, SHAG IT!, DRINK IT!, FUCK IT!.**

**The more a person could neck the more cool they were because in the 'consumption era' what you ingested spoke volumes about who we are. We didn't want cars and houses, we wanted to get loaded and have a good time.**

**So we have *Loads*, Happy Mondays long-awaited Best Of compilation. The stuff of lads, *Loaded* and lasses alike, where this 'we couldn't give a fuck, we're lads having a top larf, faaakin' 'avin it LAAAAARGE!' attitude reigns supreme. All those rude and celebratory tunes are here: *Mad Cyril*, *Lazyitis*, *Loose Fit*, *Bob's Yer Uncle* and, naturally, *24 Hour Party People*. And those silly lyrics 'Son I'm thirty, I only went with your mother 'cos she's dirty and I don't have a decent bone in me, what you get is just what you see'. Exactly.**

**Yeah, yeah, yeah, yeah ♣**

mad! She pulled more of my cock into her mouth and began sucking on it like the night wasn't going to last. Then she came.

While Tina and I eventually settled into a 69, Sylvia bent her head down and started running her tongue all over Tina's bum. Tina tensed up, clamped her thighs around my head, and suddenly I felt her hot juices begin to flood over my fingers again.

Sylvia giggled and applauded for the performance she put on, and then said, “Go on, Stewart, I want to see you fuck her. I want to see how that gorgeous cock of yours slides in and out of her cunt.”

Being the debauched gentleman I am, I naturally assumed the position for doggy-style, and slid my tool into her steaming hole while Sylvia lay down beneath her and started to lick at her cunt and my balls as I banged into her. Every time I looked down, I could see Sylvia's mouth wide open, her tongue flickering wildly.

For the following two-and-half hours I managed to stop myself from letting my jism fly, and concentrated on keeping this slice of sexual Nirvana hot for as long as I could. There was no way I was going to let this sexual experience fly too much out of hand. When I did come, I pulled my cock out of Tina's snatch and sprayed more come than I've ever seen in my life all over Tina's body. Even though she was drenched, there were still great globules off spunk clinging thickly around my fingers and shaft.

Tina and Sylvia set to work licking the jism from my hands and fingers, and then Sylvia did something which made me really want to shaft them both again.

She lay Tina down on the carpet and then began to lick my come from her sticky body. Once she'd licked a trail onto her tongue, she then moved up Tina's body and let it drip into her waiting mouth. The method was repeated, and again, until every last trace of my spunk had been licked up and shared between them.

It was a fantastic climax to an eye-opening night, and one that I hope will be repeated just as soon as possible! – *Stewart, Whittingham*

## FOURWAY FUCK

I'm a 22-year-old bloke, fairly clued up when it comes to the opposite sex and well up for anything between the sheets. I've been seeing Lysette for a couple of months now and our sex life is fantastic, but it got even better last weekend when Lysette invited a couple of her friends Helen and Jake over for dinner.

Helen is a real beauty; long blonde hair with a wonderfully slim body and big tits that she proudly shows off in tight t-shirts. On this occasion her bangers were screaming out to be released from the little halter top she was wearing.

Lysette's a real looker too – she's tall and slender with brown hair, cute little tits and deliciously long legs.

After we ate, we all sat down and worked our way through a few bottles of wine. Jake and I made small talk about nothing in particular, while Lysette and Helen looked to be deep in conversation. I couldn't really hear anything they were saying, until out of nowhere Lysette said very loudly, “You know, Helen, I wish I had a figure like yours. I mean my tits are so small compared to yours.”

Jake and I were pretty shocked, but Helen simply smiled and said, “Well I think you have a great body.”

“Nice of you to say so,” drawled Lysette. “But I know that David would love to shove his prick between your huge tits!”

I almost choked on my drink, surely it couldn't have been that obvious I was ogling Helen's tits?! A grin spread across Lysette's face. “I don't mind, David,” giggled Lysette.

With that Helen looked over at Jake who gave an approving nod. She stood up slowly, peeled off her top to expose her large breasts and stepped out of her shorts to reveal that she

Let's face it, what you need to warm the cockles of your part on a chilly winter's morning is a nice big blonde. Someone curvy to roll around with under the duvet rather than facing the draughty run to the kitchen. Well, 21-year-old Heather is here. She's big, blonde and spends more time wrapped

in duck down than... well, a duck. "The more men I can share it with, the warmer it gets," she told us. "Come and join me, I'll get that chilly willy warm for you!" ♣

# HAPPY NEW REAR!

was wearing no knickers. She really had a fantastic body and my cock sprung to attention.

Helen walked slowly towards me and took off my shirt with a little help from Lysette, before pulling my trousers and boxers down past my knees. "If your boyfriend's going to get to grips with me," whispered Helen, "then it's only fair that you should make full use of Jake's prick."

I looked over and saw Jake standing there with his trousers around his ankles. Lysette didn't need any prompting; she quickly undressed and then dropped to her knees in front of Jake and began greedily licking his cock.

It was obvious she was enjoying herself; I could see creamy juices dribbling down her thighs and this made me feel even hornier. At that point Helen took my cock in her mouth, and it soon became obvious she was something of an expert. Every lick and suck made me work my way closer to an orgasm.

Helen's lips felt incredible as they teased my bell-end, so when she pulled away I moaned my disapproval. "Don't panic," said Helen. "You're going to like this even more." She lay down on the floor and told me to climb on top of her. Helen pulled me up so that my cock was rubbing her erect nipples. "Doesn't that feel good?" she teased. I could barely nod my head as she took my cock between her tits and squeezed them tightly around my shaft.

I began slowly sliding my prick back and forth, picking up a quicker rhythm as Helen urged me to really fuck her tits. With each upward stroke, Helen lapped at my helmet with her tongue and it wasn't long before I could feel myself coming. "Come over my tits," begged Helen. I wrapped my fingers around my shaft and directed an arc of spunk all over her stomach and tits, my sticky spunk dripping down between her cleavage. Helen scooped up fingerfuls of my seed and brought her hand up to her mouth, teasingly licking up every single drop.

Loud grunting filled the room and I looked over to see Lysette on her hands and knees with Jake thrusting his prick deep inside her. "Shove your cock in as far as it will go!" she pleaded.

Jake was more than happy to oblige, and Helen and I watched as our partners really went for it. The climax came when Jake gave Lysette one last long hard thrust and she practically screamed the house down as she came.

When Jake pulled his cock out, he shot his load all over her back and Helen immediately rushed over and began licking up the sticky goo. Lysette and Helen then began kissing each other, passing Jake's load into each other's mouth. They stopped short of a full lesbian show – but they've promised Jake and I that we have that to look forward to in the very near future. Helen and Jake stayed for the night, and a lot of fucking and sucking went on between us. The four of us are now planning another night of fun and games very soon, and I'll write in and let you know how things go! – *David, Brentford* ♣
